INTERMOUNTAIN YEARLY MEETING | FALL QUERIES 2016 FOR 2017 | fyi

1. Re Location: It has been suggested that we have a trial year at a different location followed by a return to Ghost Ranch the following year. What is your Meeting's response to this? What would be the most important criteria in choosing that different location?
2. Re Financial approach: Increasing cost at Ghost Ranch was a major impetus to consider a change of venue. Approaches to cost have been offered including "Pay as Led"*, other ways to gather money (such as a fund raising campaign), or an intensive effort to decrease our costs (different venue, less days, etc.). What is your Meeting's sense about this?
